

My Neighborhood In Oakville, Ontario

Above is the map of my neighborhood in the North West of Oakville. My map shows the many public parks and schools in Oakville. It also shows the Oakville Trafalgar Memorial Hospital which is a full-service acute care community hospital located at 3001 Hospital Gate. It offers a range of primary and secondary care services in addition to some tertiary services. I also showed the fire and EMS stations as well as the new 235,000 square foot Halton police headquarters. Lastly, Oakville is also home to Bronte Creek Provincial Park which is labelled in the bottom left corner of the map. The Hospital, Provincial Park, and the Glen Abbey Golf Club mark three of corners on the map.
